Niagara Frontier Section of the Air & Waste Management Association Financial Conflict of Interest Policy

Article I Purpose

The purpose of this conflict of interest policy is to protect the interests of the Niagara Frontier Section of the Air & Waste Management Association (the “Section”) when the Section contemplates entering into a transaction or arrangement that may benefit the private interests of any elected or appointed leader of the Section. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.
