ASME Buffalo Section Program Announcement

Tour: *Jacobs Institute*

Date: *Thursday January 19, 2017*

Time: *3:00 pm tour start*

Location: The Jacobs Institute, 875 Ellicott Street, 5th Floor, Buffalo, NY 14203 (on the Buffalo Niagara Medical Campus)

Event Description: The Jacobs Institute (JI) is a non-profit organization whose mission is to create the next generation of medical devices to treat vascular disease in Western New York and beyond. The JI also aims to impact our local community by providing education and leadership opportunities for students, while fostering job creation. We spark innovation by uniting physicians, engineers, researchers, and entrepreneurs. This is owed to our unique location between Kaleida Health's Gates Vascular Institute and University at Buffalo's Clinical and Translational Research Center (CTRC) and our relationships with the medical device industry. The idea to Reality Center, or i2R, will create newer, smarter devices to help
