Air & Waste Management Association Niagara Frontier Section

About the Conference

Over the past 20 years, this event has evolved into the foremost conference of its kind in Western New York. Each year it provides environmental professionals an opportunity to stay updated and informed on the latest regulatory and technical developments in our field. Attendees will hear experts representing industry, regulatory, legal and consulting disciplines.

All proceeds from the conference go to fund education & environmental scholarships for our future professionals. We thank you for your support and look forward to your attendance.
