

TYLER HARRINGTON

3576 Lockport Olcott Road · (716) 534-7070 · tyharr5@gmail.com

OBJECTIVE:

To gain employment in the ecological field using the knowledge and skills acquired during my college career studying environmental science and previous employment.

CORE STRENGTHS

- Hardworking
- Team player
- Adaptability
- Extensive customer service experience
- Knowledge in ecology and the environment
- Experienced in data collection
- Honest
- Goal oriented
- Reliable
- Critical thinking

EXPERIENCE

Boat Steward/Environmental Educator 05/21-09/21

WNY PRISM

Daily public interaction conducting surveys and voluntary watercraft inspections. Collected data using ArcGIS Survey123. Provided invasive species outreach and education via everyday public interaction at the boat launch and outreach events. Conducted aquatic invasive species field surveys and contributed to invasive species surveying projects led by the U.S. Army Corps of Engineers and The Nature Conservancy. Traveled to boat launches throughout Western New York, collected data, and recorded contact information. Compiled information on marinas in Western New York.

Prepared Foods Clerk 12/17-05/21

Tops Friendly Markets

Collaborated with other associates as a team member to always provide exceptional customer service in the department and throughout the store. Worked to provide quality foodservice, premade and made to order, along with catering for events. High standard for customer service and food service was maintained while adapting to the changing conditions of the COVID-19 pandemic.

Prep Cook/Line Cook 04/16-11/17

Willowbrook Golf Course and Restaurant

Collaborated with fellow cooks to create new recipes and menu items to enhance an exceptional dining experience. Everyday kitchen duties were expanded during tournaments, holiday banquets, and parties to assist management in the setup and function of these events.

EDUCATION

Environmental Geosciences B.S. 2019-2021

University at Buffalo

Environmental Studies A.S. 2017-2018

Niagara County Community College

High School Diploma 2013-2017

Newfane Senior High School

COMMUNITY ENGAGEMENT

Freedom Church

Missionary Trip to Mexico 01/19

Assisted a local church in Petatlán, Mexico, in the construction of a church building in a neighboring community. Mission scope included electrical, plumbing, installation of windows, and roofing, as well as interacting with the local church and community.

Rise Against Hunger

01/18

Prepared and packed food boxes to go to those in need overseas.
