

AUSTIN BAKER

40 Woodhurst Road
Williamsville, NY 14221
(716)-706-9415
adbaker@buffalo.edu

OBJECTIVE

An internship with an environment that is challenging fast paced, and that I can thrive in. Through this opportunity, I will continue to develop my talents to the fullest and provide value back to the organization. I also hope to learn more about the field of engineering.

WORK EXPERIENCE

Wegmans | Buffalo, New York

Sept. 2011-Current

- Six time recipient of the Wegmans Scholarship.
- Front end experience which helped me develop customer service skills necessary to fulfill customer's expectations.
- Multiple department integration with managers and coordinators to understand how the company works from various aspects of the business.
- Received and confirmed outside product delivery from vendors and suppliers.
- Replenished empty shelves as well as recover product from other store locations as required

EDUCATION

Erie Community College, Buffalo, NY

Transfer program fall 2016

University at Buffalo, Buffalo NY

GPA 3.2/4.0

Bachelor of Science in Environmental Engineering, **expected May 2018**
